

Hello Friend !

Yes, you. You are my friend now.

You know those “video” “games”, and even some websites and services, where you can earn and collect badges and gain ranks and join a team?

Ever wish you could do something like that, but in *REAL LIFE?!?*

Now you finally can!

BECOME A DOLT TODAY!

With the Dolt Scouts, you can:

- Earn Badges by learning new things!
- Make and collect your own brand new types of Badges!
- Meet and join a group of like-minded (or even better, *Differently-Minded*) individuals!
- Keep going that road of the lone wolf while following what others are doing because you're uncomfortable in groups but you're still interested!
- Impress your friends!
- Impress yourself!
- Get excited about finally being apart of something bigger and then forget about it two weeks later!
- Make the world a better place!
- Kill time!

IT'S UP TO YOU!!

“My mom said it’s time to be A Dolt about things. This is for you, mom!”

“I’m excited to collect ALL the Badges – especially the mutually-exclusive ones since they’re so Rare!”

“Wait, you’re admitting it’s a Badge-Making Pyramid Scheme? Go on...”
